PROSPECTUS

2025 - 2026

Late Shrimati Anuradha Nikam
President
Sahyadri Shikshan Sanstha, Sawarde

Late Shri. Govindraoji Nikam
Founder President
Sahyadri Shikshan Sanstha, Sawarde

MLA Mr. SHEKHAR NIKAM
Chairman,
Sahyadri Shikshan Santha,
Sawarde

Sahyadri Shikshan Sanstha is working on the Principle of "Educating the people for their socio-economic development in Konkan Region." Though the region is belssed with natural resources it is still lagging behind in educational and agricultural aspects. We keep the prime objective to educate the students from the remote villages in the technical, agricultural and medical field. Which in turn will generate employment opportunities to this people result in the socio-economic development of the society in this most competitive and liberalized world.

I am indeed privileged to welcome you in our institute "Sahyadri Shikshan Santha" a premier educational Institute in and around Konkan. We are proud to state that we have a Several Institute offering courses in Education, Agriculture, Technology & Pharmacy etc. It has been our endeavor to provide education at per excellence. Since the academic year 2005-2006, the opening of Govindrao Nikam College of Pharmacy at Sawarde marked a new beginning. This college is approved by PCI, DTE, Govt of Maharashtra. It is affiliated to Mumbai University. The well qualified trained staff along with necessary infrastructure guarantees the quality education. In addition to the basic necessary facilities college is also supported with additional facilities like Hostel, Indoor stadium in a technical campus spread over 50 Acres.

The vast experience of the management of five decades coupled with young and dynamic leadership ensures the path towards success. In this area of globalization technical education in general and Pharmacy in particular offers vide scope for our futures generation. Keeping in mind this particular aspect we are offering 4 years course in Degree Pharmacy, 2 years Course in Post Graduate Pharmacy, in Pharmaceutics also 2 year Course in Diploma in Pharmacy, I hope that aspirant to this course will make best out of the opportunities made available to them. Once again I welcome you to Sahyadri shikshan Sanstha.

**FOSTERING GENERATIONS OF SCIENTIFIC
MINDED PHARMACIST TO SPREAD HEALTH, HOPE, HAPPINESS.**

1. To imbibe principles of scientific mind in learner.
2. To become centre of excellence in pharmacy education.
3. To promote integral development of learner by providing.
4. To develop learner to meet challenges of Pharmacy world.
5. To bridge academi, industry and healthcare system.
6. To inculcate sense of social responsibility in learner to spread Health, Hope, Happiness..
